As we reflect on the past year, it is with sincere and heartfelt gratitude that we recognize the extraordinary and continued support we received from donors around the world that lift up our daily work of Helping People. Saving Gorillas. Because of YOU, the Fossey Fund was able to continue our commitment to conservation that began over 54 years ago, with perseverance and HOPE for a brighter tomorrow.

We are supported through the generosity of thousands of donors from around the world who help to make our work possible. While we are unable to gratefully acknowledge each and every one in this Annual Report, we want our donors to know that every gift – large and small – has a direct and meaningful impact on the survival of the wild gorillas we protect and study. We thank each of you for investing in our mission - we are grateful for your continued trust and support.

Digit Society
The Digit Society of the Dian Fossey Gorilla Fund is a distinguished group of donors whose substantial ongoing commitment to the Fossey Fund embodies the spirit of Dian Fossey’s favorite gorilla, her beloved Digit. Digit Society members ensure the survival of gorillas through annual gifts of $10,000 and more.
